## LOT LINE ADJUSTMENT SUBMITTAL REQUIREMENTS

### Fees:

See Fee Schedule for Fees

Lot Line Adjustment No.: \_\_\_\_\_

### Purpose:

Adjust the location of property lines for four or fewer existing adjoining legal parcels in accordance with current land use regulations.

### Submittal Requirements:

- A completed Uniform Application signed by all legal owners of the parcels in question.
- Four (4) copies of a site plan (not to exceed 32"x 40") **individually folded prior to submitting to the City**. The plan shall show the before and after lot configurations and dimensions for each lot including building setback lines (see site plan preparation check list for additional information). If there are any existing structures on the parcels in question, a Land Surveyor shall locate the structures in relation to the lot lines and illustrate that relationship on the site plan. **Also, please include 1 CD or other electronic format of Digital files (PDF) for all plans.**
- One (1) copy of a site plan 11"x17" in size.
- A written legal description for each lot in it's before and after condition including a plat map. Please note: Legal descriptions and plat maps shall be prepared by a Land Surveyor licensed by the State of California.
- One (1) copy of a up to date **Title Report** and most recent **Grant Deed** showing legal vesting, lot description, easements, and related subdivision map of the property for each parcel.
- A copy of amended financial instruments for each deed of trust, mortgage, or lien for a special assessment reflecting the new lot lines (please note: this may be prepared after the new legal description has been reviewed and approved by the City Engineer).
- Lot Line Adjustment certificate to be supplied by the City and executed by each property owner; photocopies or facsimiles are not acceptable.

It is recommended that you consult with a planner prior to submitting an application.
