Banning Municipal Code Chapter 15.68 Development Impact Fees. The purpose of the public hearing is to consider amendments to Banning Municipal Code Chapter 15.68 Development Impact Fees to modify existing development impact fees, adopt new development impact fees for electric facilities, approve the development impact fee nexus study, and adopt updated development impact fee rates.

ENVIRONMENTAL DETERMINATION: The Ordinance is not a project under the California Environmental Quality Act (CEQA) pursuant to section 15378(b)(4), as the action relates to the creation of government funding mechanisms or other governmental fiscal activities, which do not involve any commitment to any specific project which may result in a potentially significant physical impact on the environment. The Ordinance is statutorily exempt from CEQA under section 15273(a)(4) to the establishment, modification, structuring, restructuring, or approval of rates, tolls, fares, and other charges by public agencies which the public agency finds are for the purpose of obtaining funds for capital project, necessary to maintain service within existing service areas. The capital projects described in the Development Impact Fee (DIF) Study will maintain the level of service currently provided by the City's existing electric, fire, general facilities, parks, traffic, wastewater, and water facilities by ensuring that the impacts of new development will not negatively impact existing service levels within existing service areas.

REVIEW OF PROJECT INFORMATION: The proposed ordinance, the development impact fee nexus study, and related documents are available for public review by contacting the Public Works Department during normal business hours (Monday – Friday, 8:00am to 5:00pm) by telephone at (951) 922-3130.
