

**Rate Rider:** Low Income Discount Rider (LI-1)

**Applicable Rate Schedules:** Residential Service.

**Service Area:** All areas within the City's assigned area of service.

**Low Income Discount:**

Upon application to the City, each approved low-income residential customer shall receive a discount of \$32.50 on their monthly bill. However, if the customer's monthly electric bill is less than \$32.50, then the discount will be limited to the amount of the customer's bill. In other words, the application of the discount cannot result in a credit to the customer. The customer shall be required to recertify their low income eligibility every two years. Failure to recertify will result in removal from the Low Income Discount program.

The City reserves the right to terminate the Low Income program or remove a customer from the program at any time at the City's sole discretion.
